After breakfast at the hotel, full day will be at leisure to participate in various optional activities. The vehicle with driver/guide will be at your disposal.

**The Tsitsikamma Canopy Tour** takes place in the magnificent Tsitsikamma indigenous rainforest. Many of the platforms are built around giant Outeniqua Yellowwood trees that are up to 700 years old! Standing within the crown of these giants and looking down at the lush forest floor thirty metres below is an experience of a lifetime. The Canopy Tour starts with a safety briefing at the canopy office. Here your guides will first

demonstrate how to slide on the cables and the safety procedures to be followed on the tour, before kitting you up with full body harness, pulley, climbing equipment and safety helmet. You will then be transported in an open vehicle to the start of the canopy tour. From the moment you launch off the first platform, a new world unfolds as you slide on a steel cable across to the next viewpoint. Once you arrive at the platform we encourage you to stop for a while and enjoy the view while your guide points out interesting features or facts about the surrounding ecology. All groups are escorted by a lead guide and safety guide at all times. Your safety is paramount and we have strict procedures in place to ensure that you are constantly connected to either the cable or the platform. Each tour lasts typically 2½ hours and upon returning to the office, you will enjoy a well-deserved meal and refreshments.

**The Bloukrans Bungy Jumping:** It is the world's highest commercial bungy bridge. It is also the highest commercial natural bungy jump in the world. It has played host to the likes of Prince Harry, Jack Osborne, Thabo Mbeki, The Zuma family, Bobby Skinstad, Hansie Cronje, Fanie De Villiers, Kelly Slater, Andy Irons, The Amazing Race, and many more famous and not so famous visitors - you never know who you could meet on any given day at Bloukrans, the world's highest bungy bridge!
