**Itinerary:**

**Day 01: Depart St. Petersburg, Russia (18:00 Hrs)**

St. Petersburg has provided a historic stage since the day Peter the Great ordained its construction on the banks of the Neva. In its relatively short history - the city is younger than New York - St. Petersburg has witnessed the rise and fall of Imperial Russia, three shattering revolutions, and civil war. The city survived a long and tragic siege during World War II - indeed St. Petersburg became a symbol of Russian resistance to Nazi invasion.

Russia's "Window on the West," St. Petersburg remains one of the world's most beautiful metropolises. Perched on the banks of the Neva, the city is crisscrossed by canals. Two great architects helped bring Peter the Great's vision of St. Petersburg to life: Rastrelli and Carlo Rossi. The rich architecture that resulted features a mixture of styles from ornate Russian Baroque churches to neo-classical palaces. St. Petersburg has also been the cultural soul of Russia, a repository of priceless art and a home to poets, musicians and composers ranging from Pushkin to Shostakovich.

Peter the Great instilled his near-mania for architecture and building in his successors, making the then capital of Imperial Russia one of the architectural treasures of the world. Overnight on board. (D)

**Day 02: Arrive Helsinki, Finland (07:00 Hrs)**

Perhaps their country's harsh climate encouraged the Finns' love and respect for design and the arts. Whatever the cause, there's no denying that Helsinki is one of the most vibrant and beautiful cities in Scandinavia. Hailed as the "Daughter of the Baltic," Finland's capital is a city of graceful neoclassical buildings, striking modern architecture and spacious boulevards dotted with squares and parks. In the past century, Finland has nurtured some of the major creative talents of Western culture, from the composer Sibelius to architects Eliel & Eero Saarinen and Alvar Aalto.

The center of Finnish commerce and culture, Helsinki is home to some 616.000 people. Much of the city's neoclassical architecture dates from the period of Tsarist rule, which began in 1809 after political control of Finland passed from Sweden to Russia, Finland gained its independence in 1917. Depart at 16:00 hrs. Overnight on Board. (B, L, D)

With a history stretching over seven centuries, Stockholm is not just a beautiful city but also Sweden's center of art and culture.

Copenhagen was founded during the 12th century. The city owes much of its charm to the buildings erected by Denmark's monarchs, and boasts a treasure trove of late-Renaissance and Rococo architecture.

Copenhagen deserves its accolade as the Venice of the North. Founded on a series of islands and islets, the city today is laced with graceful canals and boasts some of the most delightful architecture in Northern Europe. See the fabled statue of Hans

Christian Andersen's Little Mermaid, a symbol of the city. Stroll along the old harbor of Nyhavn, lined with cafés, restaurants and 500-year-old gabled houses. Browse the superb shops on the world-famous Stroget or view the Rococo palaces lining Amalienborg Square. Best of all, savor the
