Other activities include visits to the local flower farm & game walks (time allowing) Overnight: Loldia House. At Loldia House you'll experience the life of Kenya's early settlers. Loldia House is an ideal spot to relax, taste the pleasures of Kenyan country life and explore the Great Rift Valley. There are beautiful views of the dormant volcano, Mount Longonot. Wild animals roam free on the farm and in the evenings hippo munch quietly by the waterside. Loldia House is only a two hour drive from Nairobi and within easy reach of Nairobi's International Airport. It is a perfect place from which to begin your exciting safari holiday around Kenya. It is also conveniently located for day trips to the famous Lake Nakuru National Park. There are now also daily flights on Governors Aviation direct from Loldia House to the Masai Mara. **Meals: Lunch,dinner.**

Day 2: Lake Naivasha- Masai Mara National Reserve

A late breakfast served on the lawns of Loldia House. After breakfast check out and transfer to Loldia airstrip for a scheduled flight to Masai Mara departing at 1500hrs. Arrival at Musiara airstrip at approximately 1515hrs. Transfer to the camp for check in. Later proceed for an afternoon shared game drive. Overnight: Governors' Camp. The setting is magical. So much so that almost a century ago it was reserved, exclusively, for Kenya's colonial Governors. Governors' Camp nestles in the forest along the winding banks of the Mara River, it's waters teeming with bird-life, hippo and crocodile, in the heart of Kenya's Masai Mara National Reserve. Some of the tents line the riverbank, tucked into the forest they enjoy uninterrupted views over the Mara River, others have views across the sweeping plains of the Masai Mara. Created in 1972 Governors' Camp set new standards in luxury for a tented camp. Today it's still Africa's best. Everything is under canvas, all tents have en-suite bathrooms with hot and cold running water and flushing toilets. There is a bar tent with deck overlooking the Mara River and dining tent with views over the plains. Governors Camp has just been awarded a Silver Eco Rating from Eco- Tourism Kenya due to our sustainable tourism practices in place in camp. The Masai Mara together with Tanzania's Serengeti form Africa's most famous wildlife park. The image of acacia trees on an endless grass plain epitomises Africa for many, and then add a Masai warrior and some cattle to the picture and the conversation need go no further. The annual wildebeest migration through the Serengeti and the Masai Mara is the largest mass movement of land mammals on the planet – with more than a million animals following the rains. But that is not where the game viewing ends; large prides of lions, elephants and giraffes in grasslands, gazelles and eland to mention but a few. Aside from traditional vehicle safaris, hot-air ballooning over the Mara plains has become almost essential and you can even do a horseback safari. **Meals: Breakfast.**

Day 3: Governors' Camp, Masai Mara National Reserve

Full day spent with Morning and afternoon shared game drives. Masai Mara National Reserve offers a wonderful scenery and plenty of game. It is perhaps the only region left in Kenya where the visitor may see animals in the same super –abundance as existed a century ago. It is undoubtedly the best known of all the Kenya Game Reserves. The Masai Mara lies along the south west border with Tanzania. It is also the northern extension of Tanzania's famous Serengeti National Park. The animals wonder freely (no immigration stamps required) across man-made boundaries. **Meals: Breakfast,lunch,dinner**

Day 4: Departure

Breakfast at the camp. Transfer to the airstrip for a scheduled flight to Wilson Airport departing at 1100hrs. 1200hrs. Met on arrival at Wilson Airport and transferred to Jomo Kenyatta International Airport to catch your departure flight. **Meals: Breakfast.**
