Day 05: 29 Aug: Valencia | Full day excursion to Tomatina

Breakfast at the hotel. Transfer to Bunol town near Valencia for the La Tomatina festival. At around 11am many trucks haul the bounty of tomatoes into the centre of the town, Plaza del Pueblo, Technically the festival does not begin until one brave soul has climbed to the top of a two-story high, greased-up wooden pole and reached the coveted ham at the top. In practice this process takes a long time and the festival starts despite no one reaching the meaty prize. The signal for the beginning of the fight is firing of water cannons, and the chaos begins. Once it begins, the battle is generally every man for himself. After an one hour the fighting ends. At this point, no more tomatoes can be thrown. The cleaning process involves the use of fire trucks to spray down the streets. Later return back to the hotel in Valencia. Overnight in Valencia. **Meals: Breakfast**
