# The Genting Dream Cruise (Ex – Singapore) - 3N/4D

**HELLO Singapore, Malaysia, Singapore.**

**Visiting: Singapore, Port Klang (Kuala Lumpur, Malaysia), Langkawi (Malaysia).**

**Sightseeing:** Optional shore excursions

**Sail on the Genting Dream Cruise:** Being the first company to offer cruises in China over 20 years ago with Star Cruises, we conceived Genting Dream three years ago to be the only purpose-built premium category new build for the Asian, and specifically Chinese, market. Dream Cruises' ships will be the most spacious ships in Asia Pacific and provide the highest level of guest service in the region," said Tan Sri Lim Kok Thay, Chairman and Chief Executive Officer. "The launch of Dream Cruises completes the Company's mission of having a brand for each of the three major cruise market segments – Crystal Cruises for the luxury segment, Dream Cruises for the premium segment and Star Cruises for the contemporary segment."

Genting Dream will carry 3,400 guests and 2,000 crewmembers, giving the 150,000-ton vessel the largest guest space ratio of 45 tons per guest as well as the highest crew-to-guest ratio at 1.7 of any Asia Pacific ship. The German-built ship will be the most spacious large cruise ship in Asia Pacific boasting two exclusive floors of "Dream Suites" measuring from 32 to 183 square meters and features European butler service and special privileges. The accommodations aboard Genting Dream will reflect both size and choice for travelers, with 70 percent of Genting Dream's staterooms offering private balconies, and more than 100 connecting rooms that will cater to larger extended families.
